Interview Questions for Amy Wallace

Author of

Healing Promises

- 1. You've said that you started writing when your children were young. How did God arrange to give you time to write your first novel *Ransomed Dreams*?**
- 2. Your new book *Healing Promises* continues the Defenders of Hope Series, which focuses on the FBI's Crimes Against Children Unit. Why did you choose to focus on this group?**
- 3. You did some interesting research preparing to write these books. Tell us about being locked in jail and how that experience made its way into your books.**
- 4. In *Healing Promises* the main character Clint, a good man and loving husband, is diagnosed with life-threatening cancer. He and his wife Sara deal with the diagnosis in different ways. What does this say about the way Christians respond in difficult circumstances?**
- 5. Clint and Sara struggle with questions about God's goodness and trustworthiness. Share with us how you've struggled with those same issues in your own life.**
- 6. Ultimately Clint and Sara must decide if God can be trusted. What conclusions did you come to on this topic through your own experiences?**
- 7. How does coming to a decision of trusting God provide hope even in the darkest circumstances?**
- 8. Tell us the most important thing that God taught you about trusting Him as you wrote this book.**
- 9. Where can listeners learn more about you, *Healing Promises*, and your other books?**
